- **Social distancing guidelines: please allow a generous space of 2 metres between you and the next person so that everyone can feel safe and comfortable.**
- **4 Coloured-Coded Sections - Orange, Blue, Red and Green - 50 allowed in each distinct section as long as there is at least 4 metres between sections. Each section has its own entry/exit route. No movement of people between sections, before, during or after Mass.**
- **Please do not sit on the white tape markings on the seats either side of the main aisle as this is to allow a four metre distance between sections.**

When leaving the church after Mass, can everyone please do so in a way which respects the personal space of those around you.

Thanks for being with us and we hope you feel safe and stay safe.

SACRAMENT OF RECONCILIATION

Because of COVID concerns, Confessions must happen with the confessional door kept open at all times. The waiting area for Confession will be clearly marked and at a further distance from the confession box than the usual waiting area. Music will also be played in the background so confessional conversation cannot be overheard.

Confession for children (i.e. under 18 years) will not be heard in the confession boxes but in the main body of the church on request.
