

Spring code

Break the code to find Jesus' new commandment:

A = L = R =
 E = N = T =
 H = O = V =

A PRAYER TO SAY

Thank you, Jesus, for loving me so much. Help me to follow your example and love the people I meet today. Help me to put other people before myself. Amen.

Jesus gives his friends a new commandment. They must love one another, in the same way that he loves them. Everyone will know who Jesus' friends are, because they will see how much they love each other.

A world of love

What sort of a world would we have if everyone loved each other? Draw your ideas in the world shape.

The letters around the world are lots of words joined together. Circle the words which belong in a world where people love each other. Cross out any words which don't belong in a world of love.

Word search

Find these words. They can be down or across.

I can love others

What can I do today to show that I love someone? Draw or write about, what you will do today to do what Jesus asked.

Answers: Love one another.
