**GOOD NEWS: EASING OF RESTRICTIONS**

**New Covid guidelines now allow 50% capacity in church for all Masses and funerals. Every second seat continues to be closed off. Church sanitization of seats will continue as before. Pod system with groups of 50 people no longer applies.**

**As we will no longer have stewards monitoring the entrance/exit doors, it remains of utmost importance that people adhere to good and safe practice regarding**

- wearing a mask
- using hand sanitizers in the porches
- keeping an appropriate and respectful distance from other people while entering and leaving, movement within the church and when selecting your seat.

**A Big Thank You to all the stewards who monitored the doors during these past months. Thank You for stepping forward thus allowing us to stay open for business and helping to keep us all safe.**

**The current phase calls on personal responsibility and continued good practice.**

**HAITI APPEAL**

**Communities in the south of Haiti have been devastated by the recent earthquake. Sr. Helen Ryder, a native of Banagher, Co. Offaly has worked with the poorest of the poor on the outskirts of Haiti's capital, Port-Au-Prince, for the past 30 years. Along with two other La Sainte Union Sisters, Sr. Helen's work mainly involves education, nutrition, outreach, pastoral care, providing medicines, food and clothing for the most vulnerable, as well as catechesis for young offenders in prison. Sr. Helen is currently home in Ireland and will be returning to Haiti before the end of the month. Any financial support you can give, no matter how small, will be greatly appreciated. A little goes a long way in Haiti! Donations can be placed in an envelope marked for Sr. Helen's attention and given in to Kells Parish before 21<sup>st</sup> September. Thank You.**
