COVID-19 PRECAUTIONS

- Please bring missalettes home with you after Mass.
- **The wearing of face coverings at indoor public gatherings is obligatory.**
- Please observe social distancing when entering and leaving the churches.

PLACES OF WORSHIP:

Following Detailed Covid-19 Guidance please see below:-

- Social distancing guidelines: please allow a generous space of 2 metres between you and the next person so that everyone can feel safe and comfortable.
- 4 Coloured-Coded Sections - Orange, Blue, Red and Green - 50 allowed in each distinct section as long as there is at least 4 metres between sections.
Each section has its own entry/exit route.
No movement of people between sections, before, during or after Mass.
- Please do not sit on the white tape markings on the seats either side of the main aisle as this is to allow a four metre distance between sections.
- For those with mobility issues, the seats towards the front of the top sections in the church might suit you best, especially at Communion time.

When leaving the church after Mass, can everyone please do so in a way which respects the personal space of those around you.

Thanks for being with us and we hope you feel safe and stay safe.

SACRAMENT OF RECONCILIATION

Because of COVID concerns, Confessions must happen with the confessional door kept open at all times. The waiting area for Confession will be clearly marked and at a further distance from the confession box than the usual waiting area. Music will also be played in the background so confessional conversation cannot be overheard.

Confession for children (i.e. under 18 years) will not be heard in the confession boxes but in the main body of the church on request.

CHURCH TOILET

We would kindly ask that parishioners only use the toilet in emergency situations as, due to COVID precautions, the toilet has to be sanitised after every use. Thank you for your understanding.
