MOBILE PHONE vs BIBLE

What would happen if we treated our Bible like we treat our mobile phone?
 What if we carried it around in our handbags or pockets?
 What if we flipped through it several times a day?
 What if we turned back to get it if we forgot it?
 What if we used it to receive messages from the text?
 What if we treated it like we couldn't live without it?
 What if we gave it to our children as gifts?
 What if we used it when we travelled?
 What if we used it in case of emergency?
 This is something to think about.....
 Where is my Bible?

Unlike our mobile phone, we don't have to worry about our Bible being disconnected because our Lord in heaven already paid the bill...!
