A BLESSING FOR CHRISTMAS

**If you want
The Virgin will come walking down the road
Pregnant with the holy,
and say, " I need shelter for the night,
please take me inside your heart, my time is close".
Then, under the roof of your soul,
you will witness the sublime intimacy,
The divine, the Christ taking birth forever,
as she grasps your hand for help,
for each of us is the midwife of God, each of us.
Yes there, under the dome of your being does creation come into existence eternally,
through your womb, dear pilgrim -
The sacred womb in your soul,
As God grasps our arm for help;
for each of us is His beloved servant never far.
If you want, the Virgin will come walking down the street pregnant with light and sing....**
