MILO POBLOCKI

Milo is a seven-year old boy living in Kells who has a neurological condition called Leighs Syndrome. This is a life-limiting degenerative condition. Milo's mother is trying to raise €50k to bring Milo to Philadelphia for treatment. She has been fundraising and has just over half the money needed but she only has until 20th July to raise the final amount. If you can help in any way by either holding a fundraising event or donating to this cause, please get in touch with Alisia on 0862644337.

PRAYER FOR STUDENTS

Dear God, as I approach the exam that is ahead of me, gift me with the skills that I need in order to do my best. I bring before you my nervousness and my fears, along with my hopes and my dreams and invite you to be with me. I pray that I experience the calmness that the Holy Spirit brings and whatever the outcome, I will truly believe in the unique person that I am.....Amen.

Come O Creator
Come O Creator Spirit blest,
And in our souls take up thy rest,
Come with thy grace and heavenly aid,
To fill the hearts which thou hast made.

Great Paraclete to thee we cry,
O highest gift of God most high,
O fount of life O fire of love,
And sweet anointing from above.
